Skyline selects our nominee for the Classified Employee of the Year Award

The College Council had the great pleasure of considering nominations for the Board of Governor's Classified Employee of the Year Award. I would like to recognize the nominees here:

- Patricia Carter
- Adolfo Leiva

We appreciated the opportunity to consider such qualified people! Pat Carter was selected to represent Skyline and her name and nomination will be forwarded to our board of trustees, and be considered by them along with nominees from the other two colleges and the district office. All of these nominees will be recognized by the board at the February 24 board meeting. One of the nominees will be selected by the Board to be forwarded to the Board of Governors. Please join me in congratulating both Pat and Adolfo. And thanks to those of you who took the trouble to prepare the nominations. I will be publishing the Skyline Shines Award nomination deadline next Friday, so everyone can begin thinking about who might be recognized there as well.
