

First Year Experience

A Learning Community Designed for College Success

The First Year Experience (FYE) Learning Community provides you with:

- Tools to succeed in college • Priority registration & scheduling •
- Individualized counseling & career development • Ability to register for college-level courses within one year •
- Planned sequence of courses to keep you on track to transfer • Collaboration with faculty & students •

Eligible students include anyone placing into both Math 110 and English 828 and also committing to the entire FYE package of courses. This program is particularly beneficial for students who want to complete the algebra sequence and begin taking college-level English courses within two semesters while maintaining a full-time load.
